

include/argument\_parser.hpp

```
graph TD; A[include/argument_parser.hpp] --> B[boost/program_options.hpp]; A --> C[string];
```

The diagram illustrates the include dependencies of the file `include/argument_parser.hpp`. It is represented as a root node at the top, with two blue arrows pointing downwards to its dependent files: `boost/program_options.hpp` on the left and `string` on the right. All nodes are contained within rectangular boxes with a light gray background and a dark gray border.

boost/program\_options.hpp

string
