

WebSocketSession::send

```
graph LR; A[WebSocketSession::send] --> B[WebSocketSession::onWrite]; B --> B;
```

The diagram illustrates a sequence of operations. It starts with a box labeled 'WebSocketSession::send'. A straight blue arrow points from this box to a second box labeled 'WebSocketSession::onWrite'. From the 'onWrite' box, a curved blue arrow loops back to itself, indicating a self-call or a recursive process.

WebSocketSession::onWrite
