

WebSocketSession::run

```
graph LR; A[WebSocketSession::run] --> B[WebSocketSession::onAccept];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'WebSocketSession::run'. The right box is gray with a black border and contains the text 'WebSocketSession::onAccept'. A blue arrow points from the right side of the first box to the left side of the second box.

WebSocketSession::onAccept
